TORSOS

TOP TORSOS 2007

The Nosey Parker Interview

Kerry Katona

Where are you now and what are you doing?

I'm sat eating a bagel on-set, making a new Ireland advert. I'm with my staff, make-up artist and hairdresser, on a break during filming. Now I've got this baby bump, it looks even better in the adverts - I come across as a right mummy mum... or like I've eaten a trolley load of food!

What are you like in a stroop?

I don't really get in stroops. I'm not one to throw chairs or pull hair or anything. I'm not that bad. Contrary to what people think, I just get quiet and get a bit agitated.

How much do you weigh?

Ten stone - but I am pregnant! I love being pregnant. I can eat whenever I want and not worry about whether I'll see dodgy pictures of me in the papers stuffing my face with

a hamburger. I'm eating for two now and it's great. Mark [Kerry's fiancé] loves a bit of extra "me" to cuddle, so I won't be stressing about losing weight quickly after I have the baby. I'm not like all these other celeb mums - I'm going to embrace my baby fat!

Where's the weirdest place you've ever had sex?

In a caravan, recently. No one saw the caravan a rockin'... Well, I think no one did! And it was with Mark, by the way. He's just so wonderful - in all areas!

What was the last call you avoided?

To tell the truth, I avoid most of my phone calls. I don't like answering my mobile cos I always worry it'll be bad news. I only really answer the phone to the kids and Mark. And to Max [Clifford, Kerry's publicist]... most of the time!

What body hair do you remove?

All of it except on my head! I wouldn't be seen dead with a hairy armpit or a few strays poking out of my bikini, but I do worry, what with being pregnant and all, that I won't be able to sort it out down there for when the baby comes.

What's your middle name?

Jane Elizabeth. Jane after my stepmother and Elizabeth after my nan.

Who was the last person to tell you off?

Probably Max. He's always telling me off for something. But I'm used to it and know he has my best interests at heart.

How often do you change your bed sheets?

I don't change my bed sheets, my nice cleaner does it.

What pants are you wearing?

I'm wearing a white thing at the moment, but my favourite

style is French knickers. I probably change my undies roughly twice a day. Oh, but I don't mean roughly as in rough!

What does your best mate do for a job?

Mark is my driver and he's my best friend. He's dead happy about the new baby. We're hoping for twins cos they run in his family. I'd be over the moon if that happened, but we'll just wait and see!

Tongues in public. Discuss.

I don't mind a bit of tongue action in public, whether it's me or anyone else! Although, now I think about it, I'm not sure why I do it; it just happens. It just falls out of my mouth. I don't like seeing school kids going for it down the bus stop, though. It makes me think of my own two little girls giggling for England one day and that

"I wouldn't be seen dead with a hairy armpit"
